Career Objective

To become a part of a growing organization where I can effectively apply my skills, enhance my learning, and contribute positively to the overall growth and success of the organization

Web Development Training (Ongoing) – NxtWave Academy

- I have been learning web development through NxtWave's online platform, where I gained practical knowledge of HTML, CSS, and Bootstrap. The course focuses on hands-on projects and building real-world web applications. Although I have not yet completed the full program, it has helped me develop a strong foundation in front-end development and problem-solving skills.
